Additional disclosure notes

Include here any additional disclosures the Council considers necessary to aid the reader's understanding of the accounting statement and/or the annual governance statement

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

1. **Expenditure under S137 Local Government Act 1972**

   Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2024-25 was £10.81 per elector.

   In 2024-25, the Council made payments totalling £1329.49 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

2. 2024-2025 BCC Accounts: Main Account Balance 31st March 2025

As of the 31st March 2025, Bodfari Community Council's (BCC) Main Bank Account balance is £9498.54. This amount includes earmarked monies (£5353.74) from fundraising that is not for general spend. The balance also includes money (£500) budgeted for the cost of the next Elections, which is advised by OVW to be approximately £1500. This leaves a spendable balance of £3644.80.

BCC received three quotes to reduce the height of several trees in Bodfari's Recreation Ground at a cost of £3300. This spend was recently put on hold, as Recreation Ground inspections discovered vandalism to a fence had taken place to create an alternative entrance and exit to the Recreation Ground. This was declared dangerous to children and others using the busy road that leads from the Dinorben Arms to the main road as a result of this new opening in the fencing. Previous repairs and notices to resolve the problem have been unsuccessful, so a permanent solution is needed. The proposed replacement cost of strong metal fencing is considerable (£48 per metre plus labour) and BCC have contacted Denbighshire County Council to confirm who is responsible for this cost. Once BCC receives a response from DCC, a decision on these large spends and the use of the remaining budget for the 2024-2025 accounting period can be made.

BCC's current financial policy specifies that the reserve account requires a balance of 3 months average BCC expenditure to ensure immediate available funds for unforeseen emergency work that cannot be budgeted for. This includes, in particular, maintaining Bodfari's large recreation ground. The Reserve Account Balance 31st March 2025 is £4619.60.

The context outlined above clarifies that we have submitted the 24-25 precept claim for budgeted required spend, whilst maintaining the budgeted spend and earmarked and reserve funds required for specific / emergency spend respectively.

Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2025 of **Bodfari Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Unqualified

On the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council:

Chair signed the accounts before the internal auditor

In the Annual Governance Statement (AGS), the Council confirms that it has maintained an adequate system of internal control. An important source of evidence over the adequacy of the system of internal control is provided by the Internal Auditor. However, the Council did not receive the Internal Auditor's report until after it had approved the AGS.

We recommend that in future years, the Council ensures it has received and considered the Internal Audit report before it approves the AGS.

Trust funds

The Council has stated 'Yes' to the trust funds' question on the Annual Governance Statement. The internal auditor has answered 'N/A' to the trust funds' question on the internal audit report.

If the Council does not act as a sole trustee for a trust fund, it should answer 'N/A' to this question.

There are no further matters I wish to draw to the Council’s attention.
